

CITY OF HERINGTON

GENERAL EXCAVATION PERMIT (All excavations except Street and Alley openings)

Name: _____ Address: _____

Name of property owner if different from above: _____

Location: _____

Dimensions of Excavation: _____

Proposed Depth of Excavation: _____

Set Back from Property Lines: _____

Purpose of Excavation: _____

The Excavation will be: _____ Permanent, _____ Temporary,

If Temporary, How Long Will The Excavation Remain Uncovered? _____

As a required part of this permit, a drawing showing all streets, property lines, excavation location, waste material storage locations, dimensions of the excavation, setbacks from all property lines and fence locations SHALL BE PROVIDED before the permit is issued.

Section 4-1104 of the City of Herington City Codes require that Kansas Dig Safe be contacted before the excavation begins. Dig Safe can be contracted by calling:

1-800-Dig-Safe; 1-800-344-7233

Failure to contact Dig Safe voids any city permits issued and all fees shall be forfeited.
