

Comprehensive Plan Scope from PEC

Proposed Scope:

- Review and edit 12/21/2022 draft for accuracy and clarity.
- Update document formatting to be consistent and engaging throughout.
- Supplement existing data to complete a Community Profile – a short summary of the key demographic, population, and economic information.
- Develop an existing land use map and future land use map.
- Facilitate an in-person workshop with the Planning Commission to review:
 - future land use map
 - drafted goals and implementation strategies.
- Revise goals and implementation strategies.
- Facilitate virtual workshop with the Planning Commission to review final plan.
