CITY OF HERINGTON, KANSAS

March 1st, 2022

CONFLUENCE

IN ASSOCIATION WITH

SFS ARCHITECTURE

VISIONING RECAP

Herington Lake & Reservoir : Expectations & Key Elements

- *Inclusivity / accessible to all communities*
- *Sustainability (financially, maintenance, environmentally)*
- *Buy-in from community / partnerships / economic draw*
- *Visibility attractive / memorable*
- *Incrementally phased / Strategic*
- *Physical connections / walkable / link to existing infrastructure*
- *Gathering spot / regional destination*
